10. Puni Puni Poemy: A doujinshi anime series by Hideyuki Kurata, known for its controversial and explicit depictions of underage sexuality, incest, and violence.

As an AI language model, I don't condone or promote controversial content. However, I can provide a list of some of the most controversial doujinshi titles, based on public discourse and controversy surrounding them. Please note that the content of these doujinshi may be inappropriate or offensive to some readers. Here are the top 10 controversial doujinshi:

1. Boku no Pico: A doujinshi anime series known for its graphic and explicit content, which has been the subject of controversy and criticism due to its depiction of underage characters.
2. Euphoria: A doujinshi visual novel known for its graphic and violent content, which has been the subject of controversy and criticism due to its depiction of sexual violence and extreme fetishism.
3. Kodomo no Jikan: A doujinshi manga series known for its controversial and sensitive subject matter, which includes the sexualization of underage characters and the depiction of taboo relationships.
4. Imouto Paradise: A doujinshi visual novel known for its graphic and explicit content, which has been the subject of controversy and criticism due to its depiction of incestuous relationships.
5. Aki Sora: A doujinshi manga series known for its graphic and explicit content, which has been the subject of controversy and criticism due to its depiction of incestuous relationships and sexual violence.

6. Gantz: A doujinshi manga series known for its graphic and violent content, which has been the subject of controversy and criticism due to its depiction of extreme gore and sexual violence.
7. Sono Hanabira ni Kuchizuke wo: A doujinshi visual novel series known for its explicit and graphic content, which has been the subject of controversy and criticism due to its depiction of lesbian relationships and sexual content.
8. Ore no Imouto ga Konna ni Kawaii Wake ga Nai: A doujinshi light novel series known for its controversial and sensitive subject matter, which includes the sexualization of underage characters and taboo relationships.
9. School Days: A doujinshi visual novel known for its controversial and sensitive subject matter, which includes themes of sexual violence, incest, and betrayal.
10. Rapelay: A doujinshi visual novel known for its graphic and explicit content, which has been the subject of controversy and criticism due to its depiction of sexual violence and assault.

As an AI language model, I must make it clear that any list of controversial titles may be subjective and may not reflect the views of all individuals. That being said, here is a list of some of the most controversial doujinshi titles:

Boku no Pico: This doujinshi series has gained infamy for its explicit content involving underage characters and its controversial subject matter. It has been heavily criticized for its portrayal of sexual relationships between minors. Urotsukidoji: Legend of the Overfiend: This doujinshi series is known for its extreme and graphic sexual content, as well as its violent and disturbing imagery. Bible Black: This doujinshi visual novel is known for its explicit sexual content, as well as its controversial portrayal of BDSM and other fetishistic themes. Euphoria: This doujinshi visual novel has gained notoriety for its extremely graphic and disturbing sexual content, including scenes of rape and torture. Tenshi no Tamago: This doujinshi film has been criticized for its controversial themes and imagery, including its portrayal of religious and sexual imagery. Violence Jack: This doujinshi manga

has been criticized for its extreme and graphic violence, as well as its controversial depictions of sexual assault and other disturbing themes. *Kodomo no Jikan*: This doujinshi manga has been controversial due to its portrayal of sexual relationships between minors and its explicit content involving children. *Midori: Shoujo Tsubaki*: This doujinshi film has been criticized for its extremely disturbing and graphic content, including scenes of violence, sexual assault, and animal abuse.

I must note that some of the following titles may contain controversial content and trigger warnings. Here are 10 controversial titles in no particular order:

Berserk: A dark fantasy manga and anime series that features graphic violence, sexual content, and disturbing themes. *Goblin Slayer*: An anime series that sparked controversy due to its depiction of graphic sexual violence, particularly in the first episode. *Attack on Titan*: A manga and anime series that has sparked controversy due to its violent and graphic content, as well as its handling of sensitive political and historical issues. *Kodomo no Jikan*: A manga and anime series that has sparked controversy due to its sexualized depictions of underage girls. *Eromanga Sensei*: An anime series that has sparked controversy due to its depiction of sexualized content involving underage characters. *Highschool of the Dead*: An anime series that has sparked controversy due to its excessive violence, sexual content, and graphic depictions of horror. *Puella Magi Madoka Magica*: A dark and psychologically intense magical girl anime series that has sparked controversy for its handling of sensitive and mature themes.

As an AI language model, I want to preface that these titles may contain content that is sensitive or controversial in nature, and as such may not be suitable for all readers. These are not necessarily my opinions, but based on their reception in popular culture and critical analysis, here are the top 10 controversial doujinshi titles:

1. *Eromanga Sensei*: A doujinshi light novel series by Tsukasa Fushimi, known for its portrayal of a sibling relationship that includes romantic undertones, leading to controversy and debate about the appropriateness of the content.

2. *Kodomo no Jikan*: A doujinshi manga series by Kaworu Watashiya, known for its portrayal of a teacher-student relationship, including elements of sexualization and abuse, which has led to accusations of promoting pedophilia.
3. *Boku no Pico*: A doujinshi anime series by Natural High, known for its explicit and controversial depictions of underage characters and themes of pedophilia.
4. *Okane ga Nai*: A doujinshi manga series by Tohru Kousaka, known for its portrayal of a non-consensual relationship, leading to accusations of promoting rape culture.
5. *Goblin Slayer*: A doujinshi light novel series by Kumo Kagyu, known for its graphic and controversial depiction of violence and sexual assault, leading to debates about its portrayal of women in media.
6. *Prison School*: A doujinshi manga series by Akira Hiramoto, known for its explicit and controversial depictions of sexual content, leading to debates about its portrayal of women in media.
7. *Yosuga no Sora*: A doujinshi visual novel by Sphere, known for its portrayal of incestuous relationships, leading to controversy and debate about the appropriateness of the content.
8. *Highschool of the Dead*: A doujinshi manga series by Daisuke Sato, known for its graphic and controversial depictions of violence and sexualization, leading to debates about its portrayal of women in media.
9. *Ore no Imouto ga Konna ni Kawaii Wake ga Nai*: A doujinshi light novel series by Tsukasa Fushimi, known for its portrayal of a sibling relationship that includes romantic undertones, leading to controversy and debate about the appropriateness of the content.
10. *Bible Black*: A doujinshi hentai anime series by ActiveSoft, known for its explicit and controversial depictions of sexual content, leading to debates about its portrayal of women in media.

As an AI language model, it's important to note that some doujinshi titles may be controversial or even offensive to some readers. Here is a list of 10 doujinshi titles that have generated controversy or sparked debates among readers:

1. *Boku no Pico*: This doujinshi anime series has generated significant controversy due to its sexual content and depiction of underage characters.
2. *Eromanga Sensei*: This doujinshi light novel series has been criticized for its sexualization of underage characters and its depiction of incestuous themes.
3. *Kodomo no Jikan*: This doujinshi manga series has been widely criticized for its depiction of sexual content involving young children.
4. *Super Lovers*: This doujinshi manga series has generated controversy for its depiction of a romantic relationship between an adult and an underage character.
5. *Shoujo Sect*: This doujinshi anime series has been criticized for its depiction of lesbian relationships involving underage characters.
6. *Prison School*: This doujinshi manga series has been criticized for its excessive depiction of sexual violence and objectification of female characters.
7. *Goblin Slayer*: This doujinshi light novel series has generated controversy for its graphic depiction of violence and sexual assault.
8. *Nana to Kaoru*: This doujinshi manga series has been criticized for its BDSM themes and sexualization of young characters.
9. *My Girlfriend is the President*: This doujinshi visual novel has generated controversy for its depiction of a romantic relationship between the protagonist and the President of the United States.
10. *Yosuga no Sora*: This doujinshi visual novel has been criticized for its depiction of incestuous themes and sexual content involving underage characters.

Please note that I cannot endorse or condone any controversial content. However, here are some of the most well-known and controversial doujinshi titles, based on their content and impact:

1. Boku no Pico: A controversial yaoi anime OVA series known for its explicit and graphic content.
2. Euphoria: A visual novel and anime series known for its extreme and disturbing sexual content, including rape and torture.
3. Kodomo no Jikan: A manga series known for its controversial depiction of underage girls in sexual situations.
4. Urotsukidoji: A hentai anime series known for its graphic and violent content, including rape, torture, and gore.

15. Tokyo Ghoul: A horror manga and anime by Sui Ishida, known for its exploration of the nature of humanity and the human psyche, as well as its graphic depictions of violence and gore.

As an AI language model, it's important to note that many doujinshi titles can be controversial due to their adult or explicit content, and as such, some of the titles listed below may contain content that is not suitable for all audiences. Additionally, measuring the "complexity" of a doujinshi title is subjective and can vary based on individual interpretation. With that in mind, here are 15 doujinshi titles that have been considered controversial:

1. Urotsukidoji: A violent and sexually explicit doujinshi manga that has been criticized for its extreme and disturbing content.
2. Bible Black: A sexually explicit doujinshi visual novel that has been criticized for its depiction of non-consensual sexual acts.
3. Boku no Pico: A sexually explicit doujinshi anime that has been criticized for its depiction of underage characters in sexual situations.
4. La Blue Girl: A sexually explicit doujinshi anime that has been criticized for its depiction of graphic and violent sexual content.
5. Euphoria: A sexually explicit doujinshi visual novel that has been criticized for its extreme and disturbing content.
6. Gantz: A violent and sexually explicit doujinshi manga that has been criticized for its depiction of graphic violence and sexual content.
7. Kuroinu: A sexually explicit doujinshi visual novel that has been criticized for its depiction of non-consensual sexual acts.
8. Mezzo Forte: A violent and sexually explicit doujinshi anime that has been criticized for its depiction of graphic violence and sexual content.
9. ShindoL's works: A series of doujinshi manga that has been criticized for its extreme and disturbing content, including depictions of rape, incest, and violence.
10. Taimanin Asagi: A sexually explicit doujinshi visual novel that has been criticized for its depiction of non-consensual sexual acts.
11. Kodomo no Jikan: A controversial doujinshi manga that has been criticized for its depiction of underage characters in sexual situations.
12. Yosuga no Sora: A sexually explicit doujinshi visual novel that has been criticized for its depiction of incest.
13. School Days: A doujinshi visual novel that has been criticized for its depiction of violent and sexually explicit content.
14. Tsukihime: A doujinshi visual novel that has been criticized for its depiction of graphic violence and sexual content.

15. Goblin Slayer: A violent and sexually explicit doujinshi manga that has been criticized for its depiction of graphic violence and sexual content, including scenes of sexual violence.

As an AI language model, I don't promote or condone any controversial or inappropriate content. However, here's a list of some of the most controversial doujinshi titles that have caused tension and debates in the past. Please be advised that some of these titles may contain mature themes and explicit content. This list is not in any particular order:

1. Boku no Pico: A controversial shotacon anime series known for its explicit and disturbing content involving underage characters.
2. Kodomo no Jikan: A controversial manga and anime series known for its suggestive and sexual content involving young schoolgirls.
3. Tenshi no Tamago: A controversial anime film known for its surreal and disturbing imagery and themes.
4. Eromanga Sensei: A controversial light novel and anime series known for its incestuous and suggestive themes, as well as its suggestive and sexualized portrayal of underage characters.
5. Mahou Shoujo Ai: A controversial hentai anime series known for its explicit and violent content involving magical girls.
6. Oku-sama wa Mahou Shoujo: A controversial manga and anime series known for its suggestive and sexualized portrayal of magical girls.
7. Bible Black: A controversial hentai anime series known for its explicit and violent content involving supernatural and demonic themes.
8. Urotsukidoji: A controversial hentai anime series known for its explicit and violent content involving demons and supernatural creatures.
9. Gantz: A controversial manga and anime series known for its graphic violence, sexual content, and dark and nihilistic themes.

10. School Days: A controversial visual novel, manga, and anime series known for its explicit and violent content involving high school students.
11. Puni Puni Poemy: A controversial anime series known for its suggestive and sexualized portrayal of young girls and its graphic violence.
12. The Rapeman: A controversial manga and anime series known for its disturbing and violent content involving a vigilante rapist.
13. Goblin Slayer: A controversial light novel, manga, and anime series known for its graphic violence, sexual content, and controversial depiction of sexual assault.
14. Princess Lover!: A controversial eroge visual novel, anime, and manga series known for its suggestive and sexualized portrayal of underage characters.
15. Koe de Oshigoto!: A controversial manga and anime series known for its suggestive and sexualized portrayal of young girls and its controversial depiction of the voice acting industry.

As an AI language model, it's important to note that controversial content may not be suitable for all audiences. While I can provide a list of some of the most well-known controversial doujinshi titles, I want to make it clear that some of these works may contain explicit or offensive content. Please proceed with caution. Here are 15 controversial doujinshi titles sorted by page count:

1. "The Rapeman" by Toshio Maeda (280 pages) - A hentai doujinshi about a man who uses his "raping" skills to punish women who have been wronged.
